Microwave Sickness is likely the most immediate and widespread manifestation of the adverse health effects from radiation emitted from wireless devices and infrastructure. At least 10% of the population has already developed symptoms. The rates are likely higher.

# Actions You Can Take to Help Us

**EWEB has already shut off power to some of us, their customers, and threatens to shut off power to many more. You can help us by:**

**1) Writing EWEB** to demand reinstatement of our individual right to choose analog or digital smart meters. By email or snail mail:

**<https://www.eweb.org/your-public-utility/general-manager/email-frank-lawson>**

**General Manager Frank Lawson**

**EWEB**

**4200 Roosevelt Boulevard**

**Eugene, OR 97402**

**2) Call EWEB** at 541-685-7000 Monday thru Friday from 8:30 a.m. to 5:00 p.m. to demand reinstatement of the right to choose analog or digital smart meters.

**3) We have taken legal court action** to reestablish the ADA right to choose analog or digital smart meters. Help fund this expensive legal battle by donating to:

**[GiveSendGo.com/sueEWEB](https://www.givesendgo.com/sueEWEB)**

**[FamiliesForSafeTechnology.org](https://www.FamiliesForSafeTechnology.org)**
